accounting principles generally accepted in the United States of America ("U.S. GAAP") and are not intended to reconcile fully with any financial statements prepared under U.S. GAAP. The Controlled Non-Debtor Entities maintain their books and records in accordance with the relevant accounting standards of their respective jurisdictions and converted to U.S. GAAP in consolidation. For financial reporting purposes, the Debtors prepare consolidated financial statements at FTX Trading Ltd (Case Number 22-11068), which include information for the Controlled Non-Debtor Entities. This Periodic Report only contains financial information of the Controlled Non-Debtor Entities. The financial statements presented in this Periodic Report are derived from the books and records prepared and maintained by the applicable Controlled Non-Debtor Entity as provided to the Debtors. For purposes of filing this Periodic Report, the accompanying Balance Sheets and Statements of Income (Loss) of the Controlled Non-Debtor Entities have been prepared and presented for only those Controlled Non-Debtor Entities with activity during the period presented. The presentation in this Periodic Report does not include all the information and footnotes required by U.S. GAAP for complete financial statements. Further, this Periodic Report is limited in scope, covers a limited time period, and has been prepared solely for purposes of fulfilling the requirements of Bankruptcy Rule 2015.3. Accordingly, the following notes, statements, and limitations should be referred to, and referenced in connection with, any review of this Periodic Report.

CASE NAME: FTX Trading Ltd.CASE NUMBER: 22-11068**FTX Turkey Teknoloji Ve Ticaret Anonim Şirket**

Shortly after the filing of these Chapter 11 Cases, as part of criminal proceedings initiated in Turkey in connection with the investigations being conducted by the Turkish Financial Crimes Investigation Board (“MASAK”), Turkish authorities froze and seized substantially all the assets of FTX Turkey Teknoloji Ve Ticaret Anonim Şirket and SNG Investments Yatırım Ve Danışmanlık Anonim Şirketi (the “Turkish Entities”) [D.I. 589]. The Turkish Entities currently have no ongoing operations or material assets in their control and it is not expected they will regain such control in a foreseeable future. Due to the lack of ongoing operational control and ongoing investigation by MASAK, the Debtors are unable to provide reasonable assurance that the financial statements provided by the Controlled Non-Debtor Entity as of December 31, 2023 are complete or accurate. As such, the Debtors have excluded financial data for the Controlled Non-Debtor Entity for December 31, 2023 in the Periodic Report.

FTX Malta Holdings Limited and FTX Malta Gaming Services Limited

Prior to filing of these Chapter 11 Cases, the Debtors intended to wind down both FTX Malta Holdings Limited and FTX Malta Gaming Services Limited but did not complete the required filings to effectuate the wind down. Entity setup and incorporation costs of both FTX Malta Gaming Services Limited and FTX Malta Holdings Limited were paid by Debtor FTX Trading Ltd, the parent company of FTX Malta Holding Limited. As no operations were conducted by either FTX Malta Holdings Limited or FTX Malta Gaming Services Limited, no financial statements were prepared or maintained for either of these entities for calendar year 2022 or 2023.

Income Taxes

Any income tax amounts or disclosures presented in this Periodic Report are derived from the books and records prepared and maintained by the respective Controlled Non-Debtor Entities as provided to the Debtors. No separate analysis regarding the realizability of deferred tax assets or the need for uncertain tax position reserves has been performed by the Debtors. The Non-Debtor Entities remain subject to examination by taxing authorities for any open audit periods, which could further impact the results included in this Periodic Report.

Intercompany Transactions

Prior to the Petition Date and continuing thereafter, but only as approved by the Bankruptcy Court, the Debtors routinely engaged, and continue to engage, in intercompany transactions with the Controlled Non-Debtor Entities. Intercompany transactions have not been eliminated in the Balance Sheets and Statements of Income (Loss) contained herein, as these eliminations are only performed in consolidation.

Reservation of Rights

Nothing contained in this Periodic Report shall constitute a waiver or admission by the Debtors in any respect, nor shall this Periodic Report or any information set forth herein waive or release any of the Debtors' rights or admissions with respect to these chapter 11 cases, or their estates, including with respect to, among other things, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. The Debtors are reviewing the assets and liabilities of their affiliates on an ongoing basis, including, without limitation, with respect to intercompany claims and obligations, and nothing contained in this Periodic Report shall constitute a waiver of any of the Debtors' or their affiliates' rights with respect to such assets, liabilities, claims, and obligations that may exist.
